Principal's Message

Another busy fortnight has flown by. We seem to be approaching the end of term at break neck speed. Thank you all for your patience regarding this week's interruptions.

The students have been rather busy with assessments in readiness for report writing. I would like to hold formal parent interviews at the end of this semester, as I think it is a great opportunity to discuss with the teacher the progress of your child / children and to discuss any concerns either of you may have. Further information regarding this topic will be forthcoming in the next newsletter.

Congratulations to our competitors in yesterday's District Cross Country. Maddison, Rylee and Josh, represented our school splendidly, with Rylee making it through to the Regional's in Griffith.

We are all looking forward to our trip to the Tuppal Shearing Extravaganza tomorrow. Please remember that the students are to wear correct school uniform and require lunch, recess and water for the day. Please refer to the itinerary below.

Next week our Stage 3 students will be attending a two day technology workshop at Conargo. The workshop entails the students working with Conargo and Blighty students in the elements of movie making and digital technology. Please complete the permission note attached, there is no cost to the students, CAP and Drought Assistance are paying for the day and the bus.

Before I go, I would like you all to keep Mrs Adamson in your thoughts, as her father is quite ill and has recently undergone surgery. We all wish her and her family the best of health.

Have a great fortnight!

Julie Eason
Acting Principal

PDHPE Corner

Welcome to another addition of PDHPE Corner. Firstly congratulations to Josh, Rylee and Maddison for doing such a wonderful job of representing Mayrung School at the PSSA Cross Country on Wednesday. Good luck to Rylee for representing us at the next level.

Also good luck to Emily Willis who is trying out for the Deniliquin and District PSSA Netball Team, try outs are on Friday at Memorial Park – Good luck Em!

The small Schools Athletics Carnival is scheduled for Wednesday 3rd August, so keep that day in mind. We are organising the carnival this year, as well as the canteen and we will be looking for as many helpers as possible. In preparation for the carnival I will hopefully be practicing some of the events for sport during sport time on Friday afternoons, the last 2 weeks of term and at the start of next term. If anyone is free at that time please feel free to come and help out.

Please find attached to the newsletter an interesting flyer I found, about choosing drinks for children. I find the statistics in relation to childhood obesity eye opening, and after reading the flyer I have been making an effort to water down the juice and cordial for my boys and have found that it isn't that hard.

Fundraising Event Polocrosse Carnival

@ Pretty Pine on 19th & 20 June

We will need volunteers for running a food stall from 8am till probably 4 or 5pm on the Saturday and volunteers on Sunday from 7am till about 3 pm. Lynda Barclay will be in charge of the organisation. If you have any question please ring her on 5882 4240.

Could you please fill in your name and indicate which day would suit you.

We will also contact you regarding items to be donated. If you have any preference could you please write items down. We are asking for cake/slices, eggs, bacon, bread, coleslaw, sliced onions, lettuce, tomatoes, cans of soft drinks.

Please remember that our P&C is only able to subsidise the excursions through fundraising events such as the one mentioned above and your input is most important if we want to be able to do so in the future. We know everyone is busy and wants to spend their weekends with family and friends but ultimately this fundraising event will benefit you and your children.
