Week 6 , Term 3

### Principal's News:

I can't start my message off this week, without congratulating John Beer on celebrating his 70<sup>th</sup> birthday, earlier in the week. We all hope you had a lovely time with the family and look forward to many more active and healthy years ahead!

Congratulations to all our participants in the recent District Sports Carnival, especially Sophie Hodge, who won the Junior Girl's Champion at the event. We wish our Mayrung competitors all the best of luck at next week's regional carnival in Albury.

Last Thursday I attended a Presentation of Sponsorship, at the Deniliquin RSL. The club have generously donated \$400 to the school, to put towards the renovations of our playground. Each year the RSL provide a monetary donation to the school, which is gratefully appreciated. I do encourage parents and the wider school community to utilise the club's facilities, showing them support in return.

Our production seems to be coming along wonderfully, both Mrs Adamson and Miss O'Meara are busily directing the event and by all accounts, the students are enthusiastically putting a great deal of effort into their rehearsals. My role is to be the anchor back in the classroom, ensuring that we stay grounded in the deliverance of the rest of the curriculum. Hence I am very excited about viewing all the hard work and creativity that is going on in the hall. Thank you for all the support that the staff are receiving in way of sewing skills and costume design, it all helps.

Just a short reminder for those parents that are the 'silent parent' on the canteen roster, to remember to send in something to sell at recess, as we have had a couple of canteen days where this has been forgotten. Please check the roster below and if your name appears second, you only need to send in something for recess. The parent listed first will supervise the Stage 3 students on the day, whilst running the canteen. Thank you for your support.

Have a great weekend!

**Julie Eason**

*Principal*

#### Follow the three R's

- **Respect for self**
- **Respect for others and**
- **Responsibility for all your actions**

### Important Dates

Wednesday	31 <sup>st</sup> August	Leo Barry. Edward PS

Wednesday	14 <sup>th</sup> September	Production Matinee / Mayrung PS
Thursday	15 <sup>th</sup> September	Production Night
Friday	23 <sup>rd</sup> September	Last day for Term 3. Canteen – Kaylene Loader/Michele Archidale-Moore

### School Fees:

Just a reminder about the school fees which provide the essential teaching and learning resources for your children are due now. Every family contributes \$60 for their first child and for every consecutive child \$20. If families acquire assistance with meeting these commitments or need a longer timeframe re payment please contact the school asap. We will handle your concern in a confidential manner.

### Sports News:

Congratulations to Sophie Hodge for her exceptional achievement of being the Deniliquin District junior girls' champion, super work. Not forgetting the Strong girls for their outstanding efforts in the District Athletics Carnival, also making it through to the next level again a great accomplishment, well done! Also a big shout out to Edwina, Jake, Josh and Ranii for their efforts as well at the District Athletics Carnival, they all did their best and most of all had fun doing it, so well done to them too!

It is great to see the students still active and hear of their sporting achievement which brings me to our Premier's Sport Challenge. The Premier's Sport Challenge aims to engage young people in sport and physical activity and encourages them to lead healthy, active lifestyles. Throughout the challenge a range of awards and incentives have been given to encourage and acknowledge the work of students and achievements of the school community. As such, I'd like to remind everyone to stick with it as we still have 4 weeks of the challenge left and students in classes that have reached the Premier's Primary School Sport Challenge Bronze, Silver, Gold or Diamond Award receive a certificate at the conclusion of the Challenge. So don't stop being active because as we all know, being active leads to a healthy lifestyle and longer life. That's all from the Sports corner, it's great to see so many students getting involved and becoming more active. Keep it up!

### New member of our school community:

### Monty the Mayrung Mascot.

Monty is a new member of our team, here at Mayrung. Year 4 student, Sophie Hodge, has brought a little orphaned lamb into school, on a daily basis, this week. Monty is having to return home at night, with Sophie, as he is too young to be left at the moment. If anyone would like to volunteer to billet Monty for one night or maybe more, whilst he is still being fed, we would be very grateful. Please contact the school if you are interested in helping out with this. He is very cute!!

### News from 3-4 classroom:

In the class room spelling and grammar are continuing to be our focus where we are slowly improving. This is where home work is very important for the children as it gives them an opportunity to practice and implement what we have been learning in class. Numeracy has been productive learning about fractions, division and 3D shapes, with every one progressing well in these areas.

The production has been great, allowing me to tick a lot of boxes within our curriculum outcomes. Where children have been practicing their parts and enjoying it immensely, they are looking forward to the performance day to show off what they have learnt.

That sums up what has been happening in the 3/ 4 room and it does not matter how slowly you go so long as you do not stop.

Stacey O'Meara

### News from K-2 classroom:

Hi everyone,

Weeks 5 & 6 have flown by. We had a wonderful time at Conargo on Friday for the Science Twists. The children participated in some very engaging, hands on activities. You can be proud of them all as their behaviour was excellent. A big thank you to Sara Wooden for helping with my group on the day.

The production is fast approaching, it would be a good idea to start looking in the op shops (if you haven't already), for the items that your child will need. If you are having difficulty come and see me, I may have just what you are looking for.

Have a relaxing weekend.

Jenny Adamson

### P&C Fundraiser:

Please remember to ask friends and family if they wish to order any pies.

Orders have to be back at school by Wednesday, 14<sup>th</sup> September to ensure for the pies to arrive before end of term 3.

### Request!

Nicole and Dennis came across a website where the school could win a shed, or money which could go towards one. If you would like to enter the school as the beneficiary in the following web address we would appreciate your time and effort. The web address is [sheds.com.au](http://sheds.com.au) and the required shed would be a Suburban 4. The more entries we have the bigger the chance that we win. If you have any questions please don't hesitate and remind us.

### South West Music News– Suade Concert

We have a wonderful concert coming next Friday Sept 2nd. It is suitable for all ages and is part of our not-for-profit concert series to make high quality and diverse genres of music available, accessible and affordable to all.

*South West Music and South West Arts proudly present: **Suade** the award-winning five-part male a cappella vocal group from Melbourne.*

Using nothing but five well-trained voices and a wicked sense of humour, **Suade** will take the **Deniliquin High School stage by storm next Friday September 2nd @ 7.00pm**. What you will get at the **Suade** show is five blokes doing a rock, soul, jazz and R&B show using only their voices. Sweet, close harmony meets new-school beatboxing, live looping, high energy showmanship and no-holds-barred comedy in a unique and memorable show for young and old. Make no mistake, these are no choirboys. Prepare to be amazed!

Tickets are ridiculously cheap (thanks to ARTS NSW) - Adults \$10, school aged children - **FREE!**  
Bookings: 5881 4736
