## A NOTE FROM THE PRINCIPAL

### Student Teacher:

Last Friday we farewelled our student teacher, Ellen Jamieson. Ellen had a wonderful time during her practicum, often commenting on the lovely behaviour of our students. We wish her well in her future as a school teacher, knowing that it will be a successful one, due to her positivity and enthusiasm.

### PBL:

The Stage 2 & 3 students are well underway with their project based learning. All students are showing positive changes in their approach to their own learning, becoming more independent, remaining on task and engaging with each other about their learning tasks.

### Reports:

Stage 2 & 3 reports were sent out last Thursday, with Kinder and Stage 1 being sent out last Monday. Interviews are scheduled for tomorrow and Friday for Stage 2/3 (due to myself having to attend a family funeral in Hay). If you have any queries regarding your child's / childrens report, please don't hesitate to contact the school to set a time to speak to the appropriate teacher. Please keep in mind that interviews are only of a 15 -20 min duration, depending on the bookings.

### Convict Experience:

Last week I put in an application for an overnight stay at the Hyde Park Convict Barracks Museum in Sydney, for Stages 2 & 3. The students would arrive late in the afternoon, be given a convict shirt and be assigned to a 'work gang' with an overseer. They would sleep in a dormitory of hammocks, just as the convicts did and would feast on 'convict type rations'. A night tour of the museum would be taken, along with being introduced to games played during the era. Such an experience would be second to none for our students, enabling them to experience first hand the life of a convict between 1819 - 1848. We have been successful with our application, which means that the cost of the visit is covered along with \$20 per student to assist with transport (every little bit helps). I am negotiating with the organisers for an appropriate date, possibly, term 4 and the cost of transport. Stay tuned!

Have an enjoyable two weeks holiday with your children!!

# MAYRUNG PUBLIC SCHOOL NEWSLETTER Term 1

## NETBALL:

The small schools team made up of students from Conargo, Blighty and Mayrung played two fantastic games at the Gala Day on Friday 5<sup>th</sup> June. The first game against Jerilderie was close with the girls going down 20-16. The girls worked really well together and were versatile in their positions, especially since many of them had never played together before. By the second game the girls had really started to gel and had an impressive win, 39-4 against Tocumwal. All of the girls showed excellent team, work, sportsmanship and determination throughout both games.

## NEWS FROM MR CONNOR:

Hello everyone,

Here we are at the final week of term two! Last week in mathematics stage 2 students were learning about millilitres and litres and stage 3 were looking at fractions and decimals.

Last week during peer support the students all came together and started practicing for the school production which will be held next term. I was really impressed with the effort everybody put in, especially when it came to singing the songs.

This week, stage 2/3 students will continue on with their projects as well as practicing for the production along with our normal literacy and maths timetable.

I hope everyone has a safe and enjoyable holiday.

See you in Term 3.

Mr. Connor

## NEWS FROM MRS ADAMSON:

Hi Everyone,

Hope you enjoyed the rain last week, hopefully a bit more to come.

This week for spelling the children have made up their own spelling lists from misspelt words in their writing. They have used these words to write their own Dictated Sentences.

They are making alphabet books and writing about things that are the same and different with them and their friends.

In Maths we have been learning how to slip, slide and turn shapes, also number patterns, how to work out the pattern and continue it.

Have a great holiday, enjoy the break.

See you in Term 3!!

## SCHOOL CONTRIBUTIONS: REMINDER

Thank you to the parents who have already paid the School Contributions. These are a major source of revenue for the school. These fees help to enable us to acquire the materials to run our school smoothly. As you would understand, the costs are going up, school materials becoming increasingly more expensive and these contributions are necessary to help ensure adequate resourcing. We also plan to do more cooking in Peer Support and therefore asking for the first child in the family \$75, thereafter \$30 per child.

Please feel free to contact us if you have any questions or would like to pay the contributions in instalments.
