

## A NOTE FROM THE PRINCIPAL

### PSSA:

Last week we sent away a number of students to compete in two Small Schools Sports teams. On Thursday Ben Howitt accompanied six students to Finely to compete in a Soccer game against Finely PS. Despite their loss, they played well and enjoyed the experience. Our netballers competed, last Friday, at a Gala Day in Deniliquin. They lost a game to Jerilderie by 4 points and won a game against Tocumwal by 33 points. Sophie Strong traveled to Sydney as part of the Primary Girls Riverina Soccer Team. Out of approximately 14 other regional teams, the Riverina came sixth in the comp. A terrific effort by all our students and we look forward to hearing the results from this week's Riverina Cross Country Competition to be held in Gundagai on Thursday, good luck to Sophie Strong and Alicia Smith, who will be competing on the day.

### PBL:

Stage 2 and Stage 3 students have begun a trial of Project Based Learning, on a Monday morning. This allows the students to choose an topic of personal interest and create a presentation on their research and recordings. Whilst the content is important, the main learning that will occur through this process crosses most areas of the curriculum. Literacy, Technology, History and Science are the main Key Learning areas covered, with Maths and PDHPE being taught separately. The students have entered into this new type of approach with maturity and enthusiasm, discovering new ways to answer their own questions and working in a collaborative and engaging environment.

Being well rested after the long weekend I hope you all have a great week!!

We could learn a lot from crayons -  
Some are sharp, some are pretty, some are dull,  
while others bright, some have weird names, but  
they have learned to live in the same box together

# MAYRUNG PUBLIC SCHOOL NEWSLETTER Term 1

## SOCCER:

Hello everyone,  
I'd just like to start by saying thank you to the students that represented small schools in soccer last Thursday, 4<sup>th</sup> May. It was a great day and everyone represented their school extremely well. The weather fined up and turned out to be a great day for a game of soccer. Small schools started strong with momentum against Finley. Everyone played exceptionally well, chasing the ball all day and putting pressure on their opponents. A lucky through ball that Finley connected with saw them score the first and only goal of the game. Small schools once again came out with drive in the second term and successfully held the ball in their attacking half, unfortunately things didn't turn out and were unable to connect and score. Great game everyone, you played extremely well.

Ben Howitt

## NEWS FROM MR CONNOR:

Hello all,

Congratulations to the students who participated in the representative sporting events last week, I heard you all participated with great effort and showed fantastic sportsmanship which is a good quality to have.

Last week in Mathematic, stage 2 students have been learning about 'time' while the stage 3 students have been learning about 'capacity'. In Literacy, we have been focusing on grammar.

This week in science, students will participant in an experiment on seed dispersal which involves closely looking at ants and seeing how they spread seeds from one area to another.

Thanks,

Mr Connor
