

A NOTE FROM THE PRINCIPAL

P&C Meeting:

It was great to see so many parents attend the recent P&C meeting last Wednesday night. A lot of productive discussion was held. Please remember that these meetings are open to everyone in our school community and are a great way to not only have your say, but also to support your child's / children's school.

Director's Visit:

We had a visit from Mrs Helen McRae, Deniliquin Network Director of Education, this morning. Mrs McRae had visited the school last term and during her visit she took a number of photos of what was happening in the classrooms. Mrs McRae then used the photos to accompany a presentation she had to give to other Directors within the Wagga Wagga Directorate. The feedback was that they were very impressed with what programs were being implemented, especially in the area of Learning goals. So go Mayrung!!! Well done to the students and teachers.

District Carnival:

Well done to those students who have made it to the next level of Carnival and we wish them all the best of luck on Monday at the District Carnival in Deniliquin.

Relevant students will have a note with more information re carnival.

Toys on School Bus:

A few students are bringing a large number of toys to play with on the bus run. Whilst we don't want to stop this, we are asking that toys are kept to a minimum approx. one or two each and preferable small in size. This will assist in toys being thrown between seats, causing a distraction to the bus driver. Lyn Rose will be returning on Monday, hopefully! 😊

Purtills Code of Conduct:

Thank you very much to everyone for returning your contract so promptly. The code of conduct was clearly explained to each student and they are fully aware of the expected behavior on the school bus. This enables Mayrung bus to travel safely to and from school and also instills a level of respect amongst the students that is to be commended.

Have a great week and stay warm!

Julie Eason

MAYRUNG PUBLIC SCHOOL NEWSLETTER Term 2

K-2 NEWS:

Reminder of Book Parade:

Book Parade is Friday Week 5. Only 2 weeks to go!! I can't wait to see everyone dressed as their favourite superhero.

If you have any old jeans laying around, we would love to use them as part of our preparation for Jeans 4 Genes day Week 6. Please send them in before Friday Week 5.

K/1/2 News:

We have been lucky to have staff from Intereach Deniliquin come and visit on Tuesday afternoons. We have been learning about relationships and feelings. Students have been participating well and are demonstrating great respect to our visitors and their peers.

On Monday's and Friday's during fruit break, students are welcome to bring a whole apple and have it slinked as a bonus for the term.

During news this term I ask that students only bring one item to present on their news day.

In Science we are continuing to look at weather this term. Every morning we are reading the forecast for the day. Students are becoming confident using terminology related to the weather.

Our production practice is going excellently. On Wednesday morning students are practising their lines with Mrs Adamson. Not long until the big show!

Miss Rance

TERM 3:

CAN TEEN ROSTER DAY	FAMILY ROSTERED ON	
23 th August	Sandy Dellwo	Bailey/Arndt
6 th September	Angela Brain	Jones-Clark
20 th September	Karina Reid	Hayes/Twyman

P & C Update:

Just a reminder for families to be proactive in regards to selling raffle tickets for our awesome little car. All proceeds go towards **OUR** children's activities and every ticket sold helps.

With only just over a couple of weeks before the car is drawn there are still opportunities to sell tickets at the gate at the local Football or at IGA. We **NEED** volunteers to man a stall at these venues.

Please contact Tarria or the school to advice of your availability.

Mrs Adamson news:

Hi Everyone,

The students are working well and engaging with our new spelling program, Smart Spelling.

In writing we have started on poetry, this week we

have written Onomatopoeia poems and next week we will be learning about Limericks.

In Maths we have been learning 3-digit and 4-digit subtraction with trading. The students have been very engaged in this.

Most of the Production notes for costume suggestions will be coming home today. The K/1/2 notes will come home next week as I am still not quite sure of some of their roles.

Some children are playing multiple characters and I have sent a separate suggestion for each one. If you have any queries at all please call me.

Thank you to those people who have offered to help with making props. If you have any special days that you wish to come please let me know and I will have something ready to be done. Otherwise I will let you when we are needing help.

Thanks

Jenny Adamson

School Contribution:

Just a friendly reminder that there are still a few school contribution outstanding.
