A NOTE FROM THE PRINCIPAL

Week 2, Term 2, 2022

Cross Country: Last Tuesday afternoon our students competed in the annual Small Schools Cross Country Carnival. We had a great turn out and all our students did themselves and our school proud by completing the whole course. Oliver Dellwo came a very convincing first in the Boys 8/9 bracket with brother Angus coming 2nd in the 12/13 boys group. Jorja Jansen and Sara Carter both ran a 4th place in their age brackets. These students have made it through to the next level, well done! We would like to thank Conargo School for organising the event and the many helpers on the day.

Stage 3 Canberra Excursion: 21st – 24th June (Week 9 Term 2) Itineraries and costing will be sent out today for Canberra, with our Stage 3 students. Please remember there will be a number of options for payment, as we are trying very hard to not make this a reason for students not to attend.

ANZAC Day: As with past tradition our school participated in the annual ANZAC Day parade, along with all other Deniliquin schools. I would like to thank Evy and Wynona Moore, William Reid, Ivy Ball and Sara Carter for joining Ms Rance and myself in the march.

P&C Meeting: At this terms P&C meeting, last Monday evening, a number of items were discussed, mainly relating to fundraising. Our P&C members are very active in involving themselves in fundraising to raise money that will benefit all our students in their learning environment. It is hoped that all parents and carers are aware of this and opt to contribute in whatever way they can, be it baking a cake, offering time to assist or participating in school events. Every little contribution helps to make our school a great school. Any queries pertaining to P&C events can be directed to our P&C executive team or a call to the school.

Strike Day: We would like to thank you (without getting too political) for your understanding during last Wednesday's teacher's strike. I can say whole heartedly that it is not done based on financial reasons, our staff are very concerned about the critical shortage of teachers throughout the state, which does not seem to be showing any signs of easing. It is the future of our student's education that was at the forefront of our decision.

To all our mums, what a wonderful job you do being you, I wish you all a lovely Mother's Day on Sunday and hope that you are spoilt hugely!!

MAYRUNG PUBLIC SCHOOL NEWSLETTER Term 2

K-2 NEWS:

Term 2 has started off swimmingly, it was great to hear about students holidays and students have slotted back into our routines fantastically. This term we will be studying informative writing, exploring the key features and working towards writing our own.

In Maths we have kicked off the term with Place Value, it has been great to see students confidence growing when working with numbers.

Miss Rance

3-6 NEWS:

Everyone looked relaxed and ready to learn on the first day back at school. This term has already started off being very busy. For instance, students were training for the cross country on Tuesday 3rd May during sport. Most students participated extremely well in their efforts to challenge themselves. So much so that the whole school is participating in the Premiers Challenge. Students are recording weekly their times of how active they have been.

This past week in Literacy, students refreshed their writing skills in persuasive writing and the topic "Everyone should learn to cook", there was some interesting reasons and you will be happy that everyone was in favour of learning! In Mathematics, students looked at fractions and their equivalents. In one session, students had to divide themselves as a group into a fraction group. This encouraged movement, thinking, maths skills and a bit of fun whilst still learning.

Until next week, Naplan for Grade 3 and Grade 5 will be coming up.
