Term 4 Week 4, 2018

A NOTE FROM THE PRINCIPAL

Dear Parents/Caregivers,

Welcome to another fortnight of thinking to learn and learning to think.

Bike Ride

I would just like to say congratulations to everyone who participated in the Mayrung annual bike ride last week, also a big thank you to Tarria Moore for her hospitalities on the day and all the other parent helpers. The day couldn't have happened without you.

Remembrance Day

On Sunday 11th November at 11am the Deniliquin RSL sub-Branch will be holding a service at the Deniliquin Cenotaph. This occasion will mark the 100th Anniversary of the signing of the Armistice to end World War 1. If anyone would like to attend and lay a wreath, poppy or floral tribute as part of the service, you are more than welcome.

SunRice Day

On Thursday 15th November Mayrung will be hosting a rice education day which will include employees from SunRice & Rice Extension providing workshops for the students. A trip to the 'Balls' rice crop will also be on the agenda. Mayrung students will be accompanied by Blighty and Conargo students as well. We would like to thank Stephen Ball for the organization of the day, as well as Purtills for supplying the bus to ferry the students to the paddock free of charge and SunRice for coming and speaking to the children and supplying sushi and other rice dishes for our students to try. Sushi Bite from Deniliquin use our locally grown rice and will be supplying the rice dishes. Parents are more than welcome to attend.

Have a great week

SunRice Permission Note

Term 4: Recess & Lunch Times

Lunch time : 11.15 pm – 12.00 noon

Recess time: 1.30 pm – 2.00 pm

If your child has to be absent from school for any reason, please send a signed note or use the app explaining the reason for the absence within seven days.

Parenting Tips...

Give appropriate praise. Instead of simply saying, "You're great," try to be specific about what your child did to deserve the positive feedback. You might say, "Waiting until I was off the phone to ask for a biscuit was hard, and I really liked your patience."

2019 Kinder Enrolments

If you know of anyone interested in enrolling their child in Kinder next year or any other year group, please let us know.

K-2 NEWS:

Hi Everyone,

Home Readers - As you know the children's home readers are being changed on a Tuesday with Lorraine. She is getting them to choose enough books for a week. On other days we have Phyllis and Rosa come and listen to the children read. I know I have asked you to only send in their home readers on a Tuesday but I think it will work better if they bring them in every day as they used to.

Thanks Lorraine, Phyllis and Rosa we really appreciate you giving up your time to assist our students with their learning.

Homework - Children have not been bringing their homework in regularly, (Year 1 and 2) They will get their new words and sentences on a Friday now. All they need to do is practise their words and sentences every day and read for 10 minutes, 20 minutes all up. Please encourage them to do this and return their homework every day. Regular reading is so important.

Excursion to Echuca - We are looking forward to our Excursion. **We will meet at Whitelock Street at 8am and return to Whitelock Street at around 4pm.** I will ring one of you to put the ETA on the Mayrung Mum's group.

Make sure your child is in full school uniform with their school hat. Pack recess/lunch/water bottle and ensure that they have sunscreen on. I will have extra to apply if needed.

Thanks

Jenny Adamson

MRS TREBLE NEWS:

The last two weeks have flown by as they have been so busy. I thoroughly enjoyed our bike ride day last Wednesday and I thought all the students did a terrific job of riding a fairly long way. I would like to say thanks to all those people who helped out and helped make the day so enjoyable.

In Science the K-2's are doing a science unit called "watch it grow" as I have mentioned previously. Our corn has started to grow from seeds which we are very excited about, but we haven't seen any growth from the

tomatoes or strawberries. We have also recently set up the incubator with 12 fertilised chicken eggs. We have to make sure the incubator sits at the correct temperature and humidity. We also have to rotate the eggs a couple of times a day, as a chook would do. All the students are very excited and we are expecting the eggs to hatch in 21 days, with the due date being the 21st of November.

SCHOOL CONTRIBUTIONS:REMINDER

Thank you to the parents who have already paid the School Contributions. Unfortunately there are still a few outstanding. If you have difficulties with this payment please let us know. Thank you.

FUTSAL

Futsal Indoor Soccer.

Deniliquin Stadium is looking for Junior Players. We have 3 Grades: 6-8 years, 9-12 and 13+. Boys & Girls Mixed Teams. Wednesday afterschool. Futsal is played Indoors on smaller courts. The smaller courts guarantee that the children frequently touch the ball. This combined with lots of goals make the game fun. These courts teach the children how to make decisions under pressure, improves their passing while increasing their fitness. Futsal is officially recognised by FIFA. Go online to read about the benefits of and why your child should be playing Futsal. The cost is only \$5 per week. To register, please call or text John on 0408 997705.
